VOLUNTEER EXPERIENCE

Grace of Jesus Christ Crusade Paso Robles, CA
Audio Engineer July 2014 – December 2017

- Selected from the church's global A/V team of 120+ members to provide onsite training in Kaohsiung, Taiwan for 10+ new audio engineers to enhance support for venues accommodating up to 1,000 people.
- Supervised 50+ recording sessions for the church, providing guidance and hands-on support for equipment setup, orchestration, arranging, recording, mixing, and mastering.
- Composed, arranged, and produced 13 original compositions for the church, while refining processes to enhance recording efficiency, resulting in a 20% increase in overall production efficiency.

PROJECTS

Comparebnb
Lead Web Designer December 2023

- Collaborated in a team of 6 to critique and publish research on socioeconomic impacts of Airbnb.
- Architected and deployed the team's website under a strict 16-hour deadline, implementing full screen reader compatibility and achieving a perfect 0-error WAVE Evaluation score.
- Link to project site: comparebnb.netlify.app/

odspro Subs Workflow Database
Personal Database Project July 2025

- Designed normalized 8-table relational database system managing fansubbing workflows for 80+ episodes with automated metadata extraction using SQLite, R, and ffprobe.
- Analyzed production data using SQL queries and visualizations to identify workflow bottlenecks, improving process efficiency insights.
- Link to GitHub repository: github.com/odspro-ucla/fansub-workflow-db
